Headquarters Army of the West  
Medical Director's Office  
San Francisco, Cal. 4/62

Sir,

I have the honor to bring to your attention the fact that the sick of this army are suffering greatly to the east of San Francisco. The reports of the R. R. Commissioners the last evening received in Regimental and Brigade Hospitals show that the Medical Officers report to me that they cannot treat the mass of diseases arising in camps successfully with their present diet, the men are suffering the most acutely and are making progress for the diet in camp. With a proper diet & view of resources they can do in camp cannot be successfully treated as in the case of the Hospitals east of this.

I would also respectfully bring to your notice the great scarcity of Gen. Quarters in the Army of the West. I do not think there is one in the Regiment and then we are suffering in reality. Begging your early attention to these matters on behalf of the sick.

I am very respectfully  
Yours, Sir,

Dear Mr. Pueris Au.  
21st Nov 1863

Dear Mr. Pueris Au.  
Sir,

I have the honor to present  
to you the claims of my Asst. Surg. Gen. Major  
Thomas L. S. Jones, for promotion, and respectfully

urge your recognition of the same.

Independent of the fact that he acted as  
Asst. S. of my command during the whole  
of my campaign in Missouri throughout  
and he has served, with the rank of Major  
in the Provisional Army of the Confederate States  
since the 20th of March 1862.

Unaccountable as I was to allude to the  
conduct of my staff officers in my special  
accounts of battles, yet I felt compelled to  
speak of him, among others, in my account of  
the action at Helena in the following language.

"Major Thomas L. S. Jones Asst. S. of my  
command, to whom I have been often  
indebted for vigorous support in terms of ideas  
tried, apart from the intelligent and faithful  
performance of the numerous and arduous  
duties of his office, surpassed himself this  
day, in the intelligent manner with which

he bore himself throughout the conflict, urging  
the troops again, and again, and urging them  
forward to the scene of action."

I respectfully urge, that his ability,  
zeal, and gallantry, with his untiring  
devotion and willing sacrifices to our cause  
be justly rewarded by his promotion to  
1st Lieut rank from the 4<sup>th</sup> day of July 1863.

I have the honor  
to be, Dear Sir,  
your obedient servant,

Wm. Price.

I should be a great  
advantage to which I may be fitted.

The Southern Confederacy. You will know his  
prominent mathematical abilities, and attainments.  
He is even better in the practical, than in the abstract  
branches of the science, and has had long practice  
and experience, as an <sup>IN</sup>structor, & in the use, & manage-  
ment of mathematical instruments, which has got a  
and hardy temperament, more of exercise & adventure,  
fit him better for the out-door duties of an Engineer  
than for those of a Professor. I have heard that two  
Colonel / Small say, that there has the highest natural  
Capacities as an Engineer that he had ever seen, and  
that even now he has rather more than his usual  
ing in that service than any man he knew.

One who is anxious to serve our Country, desires to  
do so in that capacity for which his talents & habits  
have best fitted him, and would, I am sure, if appointed  
to any position in the Engineer Corps, do good service,  
and make his mark in the Profession. He desires the  
appointment at present without regard to his probable  
future thereof hereafter; though I am well assured, that  
if he should receive proper encouragement, he would  
even permanently prefer this service to his professorship,  
if ever peace should permit our lectures to be renewed.

Some effort has been already made, through Col. J. H. Smith,  
to secure this appointment from the Virginia Authorities,  
but I am sure it has not properly attended to, otherwise  
as Board of Appointment could well have disregarded  
such inducements as were furnished by Lucati's testimonials.  
In myself I am sure I am not strong enough, especially in my

present state of health to stand camp life, &  
to follow you in that line of duty. But - in any  
and willing to serve Virginia or the U.S.A.

that post released Chas Blackall without Order from  
 His In. He immediately returned here and voluntarily  
 transferred the case into the Civil Court and obtained  
 a Verdict against him. I then let me state the Circum-  
 stances under which that was accomplished. I decided  
 upon me to prove the identity of the property in question,  
 + also the same to be my own. I had a number  
 of acquaintances who knew my Horse + would testify  
 to the correctness of my Statements in regard thereto,  
 but they were in the Army + most of them at Consider-  
 =able distances from this place. The question then arose  
 how was it possible for me to obtain these witnesses within  
 a given time, (+ that very limited interval) to appear in  
 a Civil Court, when the war was so severely pressed  
 in the defence of the State, against a partially suc-  
 =cessful invasion. At once it is apparent, such or of  
 of the difficulty, but the absolute impossibility, of  
 obtaining witnesses sufficient in number to rebut  
 the testimony of ten or a dozen paroled prisoners  
 from Demopolis, whom he had brought down in their  
 reckless debauchery to prove the property his.  
 Sir it is my firm + most candid belief, that  
 he could have obtained twenty such men, with  
 as much facility as he did those whom he  
 did bring. The charge of the judge to the jury  
 on their retirement to decide upon a Verdict, I  
 remember was this. "If there is any doubt in the mind of  
 any member of a jury, the decision should always be thrown on the  
 Side where there is a predominance of testimony."

Quincy's Camp, St. Joseph's Hospital  
 All Madison Co. in 28<sup>th</sup> Mos

Sir

I have the honor of presenting you with  
 a full account concerning the taking of my horse  
 by a man named Charles Blackwell. It is considered that  
 I have been shamefully treated by the Military Authority  
 of this Department, and if I fail now in obtaining  
 justice therefrom, I shall most assuredly report the  
 matter to the Sec. of War. The circumstances of the  
 case are as follows. On the 25<sup>th</sup> July last this  
 man Charles Blackwell rode thru this place on a  
 for deputation then on my horse. As soon as I saw  
 the horse I recognized him, having just received my  
 attention directed to him by the Surgeon in Charge of  
 this Hospital, who remarked to me that he had very  
 much the appearance of my animal when he had  
 been in Jackson. Upon inspection I found him to be  
 the same horse I had left in Madison County when  
 our Army retreated from Jackson to Morton. Being a  
law-abiding individual I immediately proceeded to the  
 Clerk's Office of this County (there being no Military Command here)  
 and obtained a writ of Habeas Corpus for the purpose of  
 taking possession of my property. At the same time, with a  
 similar warrant, feeling, as I do, charges & specifications  
 against him as the Army Regulations dictate, and  
 sent him to the nearest military post which was  
 Meridian. In a very few days the Commandant of

no positive evidence that my horse had been stolen at all, & that if I could hear from Canton (then an impossibility)

No doubt I would find my horse still there. Since then I obtained six days leave of absence & went to Canton, but instead of there finding my horse I learned that he had been stolen just twelve days before I found him in the possession of Chas Blacknell. Mr Blacknell at that time acknowledged that he was just then from the vicinity of Canton, where he had been for several weeks. It is needless to add that my horse was recognized in Madison County as the same one that I had previously lost. With the great preponderance of testimony against me the jury was not satisfied simply to decide that I should pay five hundred <sup>dollars</sup> to Mr Blacknell for the horse but likewise I should pay him two hundred dollar damages, for having deprived him of the use of "his horse" for a few days in Seneca; which in addition to the cost & other fees brought up the whole amount to a sum very little short of one thousand dollars. Being a law-abiding (citizen?) I did not demur, but tendered all this the Sheriff to Mr Blacknell. He refused to receive the five hundred dollars but demanded the horse, the jury having decided that in the event that the horse could not be found by the Sheriff, Mr Blacknell was entitled to claim of me five hundred dollars. The Sheriff did not succeed in finding the horse & still the five hundred dollars could not be received.

My friends & in fact every person whom I have heard  
of in the matter, have pronounced the manner in  
which a verdict was obtained against me ~~was~~ a most  
perfect outrage. It was a long time after time, to represent  
the proceedings to Gen. Johnson, with many assurances that he  
would instantly put a stop to the whole matter. I then  
condemned & indicative of the greatest indignation, of  
such an outrage (for such it was termed) were voluntarily  
~~rendered~~ me & I was insisted upon, to take leave then  
to Head Quarters. I patiently however awaited the coming  
of a Court Martial, as I was opposed to troubling  
the Department at such an unreasonable time.

While at this stage what was my astonishment to  
receive orders one from Gen Hardee & another from  
Gen Gordon requiring me to give immediate possession  
of the Horse to Chas Blackburn Esq. I endorsed  
these orders asking for further information as to the  
subject & what was still more surprising, I received  
a direct order from Gen Johnson, requiring an unconditional  
delivery of the Horse to Chas Blackburn properly, that it  
was unlawfully holding in my possession. I was  
utterly amazed - I receive such orders from the  
very source I had hoped to obtain justice for  
a wrong already inflicted on me, was more than  
I could comprehend. I had never refused to comply with  
the decision of the Civil Law, & if I had, this  
County is furnished with a very competent & worthy  
Sheriff, I think, who could have brought me to a

fulfilment of the legal requirements. Can I ask why the Sheriff's Authority was ignored in the County of Sunderland? If his services are not needed I could suggest for the benefit of the Conscription Bureau that he would make a most excellent soldier. I would also like to ask why the Military was sent out to force me to obey, wherein I had never disobeyed? Why Sir, if you please, was a Squad of Cavalry in Charge of a Commissioned Officer sent out with orders to take my home by force wherever found (if necessary to use force), as tho' I were an outlaw, & it was only only by an armed soldiery that I could be brought to justice. Sir there are performances, if lawful, I must acknowledge my utter incapacity to appreciate their legality. I think it must be apparent to you that injustice of the grossest nature has been inflicted upon me & against which I must state that I most emphatically protest. Up to this time I have never had a hearing, still military orders were issued against me. In conclusion I respectfully ask that my home be delivered up to me immediately, and that the case be tried by Court Martial as soon as convenient.

Sir

Recd your attention to the following letter received from Surg. S. M. Vandell Med. Director of this Department. Up to the present time I have been serving in hospital duty and without an order of notification, I was reported by Surg. Vandell to Genl Johnston & ordered immediately to duty in the field. I had no disinclination to enter into field service, even if barely equipped, but I informed Surg. S. M. Vandell, that in consequence of having just emerged from a law-suit relative to my horse which cost me about one thousand dollars, I was entirely destitute of funds, besides being over three hundred dollars in debt to a friend. I could not equip myself. I had not a dollar to purchase a blanket or overcoat or any article of clothing, not of comfort, but of absolute necessity. Surg. Vandell was aware of these facts but informed me the Order would not be changed leaving me from Hospital duty. I respectfully ask if such treatment was not unusual & improper.

Sir

You wished me to inform  
you if I am prepared for duty in the field. I  
respectfully make the following statement. It is true  
I have a horse but owing to his age (about three years)  
& having been ridden down by the Cavalry, he is  
unfit for service. I informed you of the fact  
of my having sustained considerable expense in  
a law suit with Mr Chas Blacknall & in which  
I paid out over one thousand dollars. That sum  
left me entirely destitute of funds & over three  
hundred <sup>over</sup> indebted to a friend. These are the  
facts in my case & constitute my reasons  
for desiring to remain on Hospital duty. If I  
am ordered to the field I will go entirely  
unequipped.

1. The first part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy. It is found that the state has played a significant role in the development of the economy in many countries, particularly in the case of developing countries. The state has been able to mobilize resources, create infrastructure, and provide social services, all of which have contributed to economic growth.

St Gen. Pick;

Dear Sir,

In accordance with your suggestion I would respectfully make the following statements:

I have been in the habit of preaching to the prisoners in the Guard house here and in connection with this, of exhibiting my sympathy with them by complying with their requests to present notes, requests and petitions to the Provost Marshal - which has caused me to be in his Office frequently -

In addition to this, I have two or three times applied to the Provost Marshal Capt. A. A. Lipscomb - in behalf of a man named Wm Brock - who, I was satisfied, is "non compos mentis" that I might get him sent from the Guard house to the Lunatic Asylum in his own State, Miss:

On yesterday, at my solicitation Capt. Lipscomb sent Brock to the Hospital to be examined by the Medical Board - and on his return to the Office of Capt. Lipscomb and waiting to know what was to be done - and while I was writing to Dr. Wells the Physician at the Lunatic Asylum at Jackson - the man Brock, not seeming to know which way he was going, started out the door, just at a moment

WAR DEPARTMENT  
when Capt Lipscomb started out - and Capt Lipscomb seized him and threw him back, almost prostrating him on the floor, cursing him in a most bitter manner, and swearing that "if he did not stay in the room, he would kill him" - After Capt L. went out, the man went to the door, and I approached him and kindly told him to sit down on the end of the table - When Capt. L. returned he cursed

him again, and told him in a very unbecoming manner to "get off that table" - I asked him if Brock would be sent away, and he very roughly replied that he would have to hear from Col Morgan first - and in a very rude manner ordered the guard to "take that fellow back to the guard house" -

I will further state that in all my observation in the office, Capt Lipscomb has no regard for the feelings or principles of any one; and I think it is partly owing to his using bad whisky too freely, and partly to his incapacity to master the responsibilities of his position - His superiors consider him unfit for the position - while his employees are rendered very uncomfortable by his abnoxious, overbearing manner.

Very Respectfully Submitted.

(L. S. Brodgras.

Demopolis. Ala. July 19. 1864.

To Major D. Ellis Jr  
A. A. General.  
Meridian.

The undersigned, Post Chaplain  
Demopolis, most respectfully represents  
that it is with sincere regret that he is under the  
necessity of asking for leave of absence for thirty days, and  
of troubling his commanding officer with another application,  
but ardently hopes, that in addition to the reasons stated,  
in his application which has been disapproved, or aside from  
them - the certificate annexed herewith, of a physician  
may more clearly set forth said necessity, and that you  
may, in mercy to his afflicted wife, reconsider the  
petition and grant him the leave - and he will ever pray.

L. S. Snodgrass.

Post Chaplain.

This is to certify that I return the certificate of Mr.  
Snodgrass's sick, that if she is not removed from her  
present locality, that it will result in inevitable danger  
to her life. That her life depends upon the change.  
I think it all important that she should be carried to  
Green Springs, in the W. S. Snodgrass, is a strong

Hon James A Seddon Sec War

Dear Sir

I have the honor to represent that I now  
have Thirteen Companies reporting to me  
for duty and respectfully recommend  
that the three additional Companies be  
organized into a Battalion with Lieut  
R B Snodgrass as Major - A. H. Whitstone

The ground upon which I recommend the  
promotion of Lieut Snodgrass, is for gallantry  
displayed as a private in the 1<sup>st</sup> Ala Cav  
at the Battle of Shiloh - at Corinth - Birnville  
and Blackland, Miss. and throughout Gen  
Brags Campaign in Kentucky - and for  
conspicuous gallantry as Adjt of the 53<sup>rd</sup> Ala  
Reg. at Cherokee - Barton Station (where he was  
wounded) and subsequently at Iuka -  
In addition to this I recommend him for his  
high Character as a Gentleman - and general  
efficiency as an Officer -

Very Respectfully Yrs

I have been thinking much lately of the  
little things that are often overlooked. One thing  
I have found that many people do not know  
is that the little things that are often  
overlooked are the things that are most  
important. I have found that the things  
that are most important are the things  
that are often overlooked.

Major: Some time since I wrote  
you requesting that authority be given  
me from Dist. H. Quarters - to  
imposed teams - to transport stores  
from this place to Alveyton of course  
as yet I have heard nothing from  
the application. I would respectfully  
request that you get the desired  
order for me. As I had  
occasion to impress a train, yesterday  
to transport some stores - which had  
been lying at this post for  
the past two months - & which  
are much needed in the Army -  
I learn the man who enters  
the train. threatens to enter a protest  
against me at Head Quarters -  
therefore I am anxious to have  
the proper protection.

Dear Miss

enclosed send a resignation  
of my position as Surgeon. Please  
read it and try to have it accepted.  
You know our community and  
know how many persons both  
white & Black by more or less my  
professional care, & you know  
Kirk were both practicing  
when I left. The former has  
died recently and Kirk has  
been carried to the army and  
Joseph Palmer has been compelled  
to resume practice which he had  
left off over 20 years ago on account  
of his health. and I really think  
it due to the community who  
patronized me that I should  
if possible return to them. Please  
do the best you can under the circumstances.  
There is now another Company of Surgeons

on the board with me, and should  
be very well spared. I am  
also very unfortunate in having  
my family here a long time  
get no provisions except at  
exorbitant prices and have no  
resources, having planted very  
little cotton.

Yours Truly  
J. B. Brown

S. 13

Greenboro N. C.  
March 26<sup>th</sup> 1864

To Surgeon General  
For consideration  
of my services - as the  
Surgeon of the 1st  
Regt. N. C. Inf.  
& 4th N. C. Inf.

Wm. A. Liddon Sec of War  
Sir

I have April 12/64  
Ref. refused to do  
it & I have for  
acceptance

Wm. A. Liddon  
Surgeon General

Per. 10 no. 1 at 22.0  
April 14. 64

Allow me to tender a  
resignation of my commission  
as Surgeon of the 1st. C. Inf. for  
the following reasons, I am  
41 years of age and was assigned  
to duty as Examining Surgeon of  
Conscripts in N. C. on account of  
a violent attack of Rheumatism, it  
being true that I have been performing it  
since being engaged in this duty,  
but I do not believe that I could  
stand field service, my principal  
reason is that when I left home  
in 1861, I left two Physicians, to  
take my place, in practice, since  
then one has died and the other  
has been carried to the army, and  
the neighborhood is entirely depopulated  
of a physician whose health had

been so long for 20 years as to  
contemplate to leave off practicing  
I have a wife & six children also  
a large number of negroes and cannot  
obtain an increase, taking these facts  
into consideration I beg that my  
resignation may be accepted.

Yours Respectfully

P. Snowden Esq. Secy. of A. S.

Respectfully returned to

Mr. Major A. C. Woodward,  
Company, South Carolina.

The man P. O. Snowden has not been found on record in this office of any organization of the Confederate States of South Carolina.

The records show, however, one P. O. Snowden, Captain of the 1st South Carolina Cavalry, who was killed at the battle of Gettysburg. He was appointed as a private in the 1st South Carolina Cavalry on September 21, 1862, and was killed on October 31, 1862, while serving in the 1st South Carolina Cavalry. He was buried at Charleston, South Carolina.

Private P. Snowden from South Carolina was appointed in 1862, and ordered to report to the 1st South Carolina Cavalry, which was promoted to Surgeon November 29, 1862.

Under date of March 26, 1864, he tendered his resignation, which was accepted on April 14, 1864.

Major A. C. Woodward,  
The Adjutant General,  
South Carolina.

GEN. POLK & PAPERS.

Knoxville July 14<sup>th</sup> 1863

General

I have at last obtained a list of all the iron works of East Tennessee together with the amount of iron manufactured. This amount is very small and altho' adequate to meet the wants of this department yet is nothing in comparison to what might be produced if the business was properly developed.

The Government through its agent of the Office and Mining Bureau is offering the high price of twenty five dollars a ton for Cold blast Charcoal iron and Major Elmer the Chief Quartermaster of this Dept offers eight or ten dollars for the same article and yet there is not five tons of iron furnished at these rates.

No private capitalists will venture into the business on account of the various interruptions and inconveniences they would be subjected to such as having their teams seized into the Government Service their forage and provisions swept off to supply our troops and the impossibility of procuring the required labor.

Thursday Dec 14<sup>th</sup> 1863

General,

I have at last obtained a list of all the iron works of our country together with the amount of iron manufactured. This amount is very small and altogether inadequate to meet the wants of this department it is nothing in comparison to what might be procured if the business were properly developed.

The Government through its agent of the Lake and Mining Bureau is offering the high price of twenty five dollars a ton for Cold blast Charcoal iron and cheaper than the Chief Quartermaster of this Dept offers to pay for the same article and yet there is not five tons of iron furnished at these rates.

As private capitalists will not enter into the business on account of the various obstructions and inconveniences they would be subjected to such as having their teams pressed into the Government Service their forage and provisions swept off to supply our troops and the impossibility of procuring the requisite labor.

if therefore the Government would give it all  
over to become its own manufacture  
from all the data I can gather I expect  
of one thousand dollars and twenty hands  
will turn out one ton of pig iron a day  
at a cost of thirty five dollars a ton  
One million of dollars and two thousand hands  
could make one hundred tons a day and  
the difference in cost being taken from  
concentration (for the Government would save  
fifty dollars upon every ton) the original  
cost would be more than paid back and  
a certain supply secured within twelve  
months.

The Government can have control of  
all the iron in the Confederacy and if the  
two thousand men required were brought  
from the Grand and loyal districts of the  
Confederacy the two thousand exempted  
conscript men would be a sufficient force  
could be put into the ranks and this  
country would be greatly benefited by the  
exchange.

The Government would have  
to place these hands upon the same footing  
as soldiers so far as pay and I and I  
think the number might be easily drawn  
from persons beyond the conscript age

the first month a man of energy who was  
the former state clerk and caught a fine  
one from it in full last.

There is no one to supply  
with lumber for all coming from here  
the Government can purchase all it wants  
for a higher price.

I have said this before in Council  
in the hope that the proposition you made  
with your approval for the purchase of the  
only saw the name of the saw to be  
the a few days I will be prepared to furnish  
you with a detailed report of my investigation  
by which you will see what has happened  
in the lumber business in this country.

To Wm Genl Richmond Va.  
Sir

Desiring to being  
reinstated as Assistant Q. M. I respectfully  
beg my leave to make the following state-  
ment of facts in regard to same.

Having served three years as Captain in the  
1st Louisiana Regt of Infantry, when my Company  
becoming so much reduced by deaths, discharges  
& casualties of battle, as to scarcely have an  
any command, on application of the Colonel  
commanding my Regiment, I was appointed  
on 11th of May to date from July 12th & assigned to  
1st Louisiana for duty. In June I was ordered to  
report as Adj. to Rads. Division and served  
in that capacity until relieved by order from  
Genl Butler this may but I do not know on what  
date my appointment not having been confirm-  
ed by the Senate.

The notification of my having been  
dropped was received by me on the 10th Aug  
1864. but my name having been sent up to  
some office both as Assistant pay Q. M. to the  
2nd Corps as well as Paymaster to the Division.

as it was thought that one of these jobs  
would be granted me on the very flattering  
recommendations which accompanied these  
applications I was ordered to continue my  
duties until they should be heard from  
which was on Oct 1<sup>st</sup>. Since that time I have  
been on duty in the Valley in securing and  
finishing leather for Rodis' Div. seized by order  
of Gen<sup>e</sup> Early from a citizen who ran away with  
the enemy - My duties under these orders have  
just closed -

May Geo D. Rogers. Chf qm A.V.D. as well  
as May N. M. Jannet. Chf qm Rodis' Div. I.M.V. have  
both urged me to forward my claims for re-  
instatement & have repeatedly asked my  
assignment to them for duties. I have the  
strongest recommendations from them. There  
is also on file in the War Dept. Gen<sup>e</sup> Rodis' appli-  
cation for my reappointment, endorsed by Lt  
Gen<sup>e</sup> Early in the strongest & most particular man-  
ner. These papers will show that my duties  
have been faithfully & efficiently performed.

Every one who has served his country  
faithfully for four years in the capacity  
of a commissioned officer cannot but  
feel mortified at finding himself dropped  
from no fault of his & reduced to the ranks  
from which he has risen by merit.

I cannot but think that my retirement  
will be a simple act of justice, believ-  
ing as I do that my services in this capac-  
ity will be useful to the country - wishing  
therefore your most favorable consideration

I am, Sir, very respectfully,

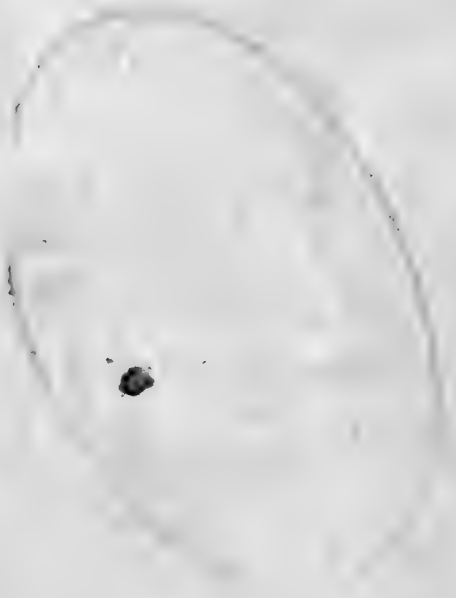

Your Obedt. Servt.

John Jay

This is to certify the receipt  
of the position of the present time.

Very respectfully  
Yours &c

1. The first part of the paper is devoted to a general discussion of the problem of the existence of solutions of the system of equations (1) for arbitrary values of the parameters  $\alpha$  and  $\beta$ . It is shown that the system has solutions for all values of the parameters  $\alpha$  and  $\beta$  if the function  $f(x)$  is continuous and has a bounded derivative.

 third thing I noticed was  
 the sound of the water. It

 thing I noticed was the

Camp Buchanan, March 31st/62  
J. Cooper, Capt. & Ins't Genl.

Sir: I received some time since from Hon. J. P. Benjamin, Secretary of War, an authority, dated 29th February 1862, to enlist volunteers for the war, to be organized into a Company of Cavalry in conformity with certain Instructions and Regulations of the Secretary, which were enclosed to me with the authority.

I commenced raising a Company as directed by the Instructions & Regulations, as soon as I rec'd the authority and have succeeded in getting seventy four (74) men to which I am daily making additions; and I think from my past success that I will have very little difficulty in raising the Company to one hundred men. The men who have joined and compose the Company are all from the Counties West of the Allegheny Mountains and principally from the Counties of Greenbrier and Marion.

I desire to ascertain from you as soon as possible whether this Company will be received and mustered into service in conformity with the authority sent me?

The conflict and seeming inconcilability of the laws relating to the organization of the army has proved a very great impediment to getting volunteers and therefore I should like to be assured as to my authority before I proceed further. You will please, then, give me as much explanation as to the mode I shall pursue in organizing and having the Company accepted as you conveniently can. The greater part of the men in this Company are twelve-month volunteers and whose time or present term of service will not expire until the 9<sup>th</sup> day of May next.

and therefore we will not be permitted to have our present Companies until the within twenty days of that time which will be the 19<sup>th</sup> of April next.

Now we organize our Company and proceed to get our horses and equipments at that time D.E. twenty days before our present term of service expires?

As all of the Company are from Trans-Allegheny and some of them refugees from that section they wish me to ascertain from you

1<sup>st</sup> whether you will consent to accept the Company as ~~a company~~ an independent Company of Cavalry Rangers for service on our Western lines? if not -

2<sup>d</sup> Will you receive them as Rangers to be attached to some Regiment that will be ordered, and continued as long as practicable, in service in Western Virginia? If neither of these; please state upon what terms nearest approaching those above indicated will you accept ~~us?~~

I have enlisted the men for Cavalry service as I was authorized by the Secretary of War and they are unwilling to go into any other branch of the Service -

Very Truly

Col. A. T. Blodgett

Sir: Enclosed I send you a recommendation of Col Echols of this (27th Va) Regiment presenting me as an applicant for the position of Assistant or Regimental Commissary of his Regt.

You will see from the recommendation that it refers to another person as having had a previous recommendation. That person was Capt. C. Byrnes - his record the asst. before my letter reached the department - but on some account he, within the last few days, sent his resignation to the War Dept. which creates a vacancy in the office of Assistant Commissary of this Regiment.

So if Capt Byrnes' resignation is accepted by the Dept. you will oblige me greatly, if you can conveniently do so, by having me appointed Assistant Commissary for the 27th Regt. Va Vols.

I should have had Col. Echols to renew the recommendation, were it not that he was wounded during the battle near Winchester on the 23rd inst., and is not now present with the regiment. Anything he could do for me to secure the asst. I am assured he would cheerfully - I trust you will find the recommendation satisfactory.

Should you deem any personal references requisite, I refer you to Hon. Walter R. Staples, M. C., or Hon. J. W. Brockenbrough Judge of Confederate Court both of whom I presume are now in Richmond.

Yours attention will greatly oblige

Sir, you will please accept  
my resignation as 1<sup>st</sup> Lt & Adj 3<sup>rd</sup> Regt, as I  
am totally unfit for duty from the effect  
of a gunshot wound received in the Battle  
of Baton Rouge Aug 5<sup>th</sup> 1862.

1<sup>st</sup> Lt & Adj 3<sup>rd</sup> Regt.

I certify that I have carefully examined  
R. B. S. Soery Adj 3<sup>rd</sup> 1<sup>st</sup> Lt 3<sup>rd</sup> Regt and find  
him unfit for duty from the effects of a gun  
shot wound received at the Battle of Baton Rouge.  
The ball still remains in the wound, which is  
continually suppurating. The ball entered the ex-  
ternal portion of the right arm about one  
and (1/2) inches below the head of the os humerus,  
and passing beneath the shoulder blade, lodged  
in the vicinity of the collar bone (dup. scapula). It is my  
opinion that he will not recover so as to per-  
form the duties of his office in less than (12)  
twelve months. I therefore recommend his resignation & accept it.

On my return from the island I received  
information from the natives that I returned  
220 lbs of fat instead of 225 lbs. The fat was much  
asked on the peninsula by order of Gen. Meade.  
I gave two hundred dollars for the fat which  
exactly equalled the above stated amount.  
The man from the purchase was given a certified  
account of the same. I also saw that I can obtain  
the same by going back to the peninsula.

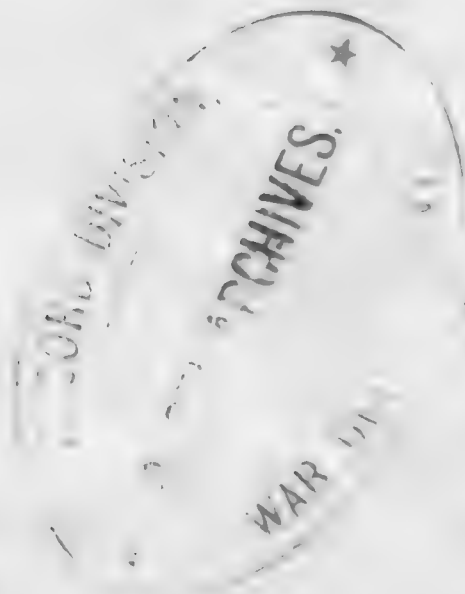

On my previous return I made a true and  
honest statement of every thing of every description  
which I received. I say emphatically that I  
have received from Capt. L. H. Hope any thing, but  
what is reported in the papers. In fact he has  
my receipt for the same. The money which  
is in the office I will state to the Department  
that it is the same as that which I learned that  
other who some time since had been sent by Capt.  
L. H. Hope. I also learned that the provisions  
were taken charge of by the Quartermaster of the  
10th Regt. and issued by him to the regi-

I never found but was to that regiment and  
that time was a few days before we left. I

I have been thinking of you  
 very much lately, and wondering  
 how you are getting on. I hope  
 you are well and happy. I am  
 still the same, and hope to  
 be so for many years to come.

This image shows a blank page from a document. It features faint, evenly spaced horizontal lines across its surface, characteristic of lined paper. There are several small, dark, irregular marks or specks scattered throughout, which appear to be scanning artifacts or dust particles. No text or other graphical elements are present.

A large, abstract, high-contrast black and white image, possibly a close-up of a textured surface or a heavily stylized graphic. It features several dark, elongated, and irregular shapes against a light background, resembling scratches, fibers, or organic forms. The shapes are scattered across the frame, with some appearing as thin lines and others as thicker, more substantial strokes. The overall effect is one of raw, unrefined texture and movement.

House of Representatives  
Richmond March 21st 1862

Hon. Gen. A. Sedden,  
Secretary of War.  
Sir,

We take pleasure  
in recommending for promotion Major G. M.  
Doolittle who has served for the last 12 years  
as Assistant Adjutant, to several Regiments.  
He is a first class, in all respects,  
and at all times, has been capable,  
and gallant in the discharge of his duty;  
and the enclosed letter of Lieutenant  
General Longstreet will show the appreciation  
of the services of Major Doolittle  
by that officer.

You would respectfully  
urge this application upon your favorable  
consideration.

Very respectfully  
Yours obedient servant  
Julian C. Edwards

Sir  
Your letter of the 21st  
is received. Business has prevented an  
earlier answer.

It would be much better  
at any promotion that Major Stark  
was recommended. I should consider it as  
much in favor of myself as to him.  
I have not troubled the Department  
with the matter myself because I  
did not think that the duties of  
Sibol, sufficient to occupy  
to occupy the time of the Department.  
I hope that Major Stark may be made  
a Brigadier if there is such a position  
to be filled. He has had more experience  
probably than any Brigadier now in  
the service, and is well qualified by  
experience and ability.

 investigation & consultation with  
 the Corps & Division Commanders,  
 Capt Girard, who had been A. A. G.  
 of the brigade under Gen Wright, well  
 & personally known to the brigade  
 was recommended - unfortunately  
 he was killed at the head of the  
 brigade in the first battle in which  
 he led it - at that time Col.  
 Gibben was Col in the brigade & returned  
 from lines of attack & has been in com-

 him to be a worthy upright gentleman  
 but from the reports of Wright & other

 the best Commanding Officer that can be selected.

The

It gives me pleasure  
to make the recommendation of that  
you are the best that the Army of the  
Potomac has ever seen and that you are  
well for distinguished ability and  
valuable in the field of battle.  
The particular instance mentioned by General  
Grant and not only in the Army of the  
Potomac but during the last 10 years  
in the history of the Army. I have had occasion  
to see some of the best fighting men of the  
Army and I have seen you in the field of battle  
and I am sure that the title of General  
has been well earned and is highly merited.

I am very respectfully  
Yours very truly

Lynchburg Virginia -  
May 19<sup>th</sup> 1864

General R. E. Lee  
Comd'g 4 3  
Sir.

The peculiar character of the position occupied by the Enemy in my front on the 6<sup>th</sup> inst. was such, as to render a direct assault impracticable. After a brief consultation with the Comd'g Genl. a move was agreed upon, turning and attacking the enemy's left flank. Lieut Col Sorrel my Chief of Staff, was assigned to represent me in this flank movement, with instructions as to the execution of it. The flank attack made by three brigades, was to be followed by a corresponding movement of the other brigades of the Command. This attack made under the supervision of Lieut Col Sorrel was executed with much skill, promptness and address, and the enemy was driven from his position in haste and some confusion. —

It occurs to me that this is one of the instances of skill, ability & gallantry on the battle field, which should commend itself  
over

to the high approval of the Executive.  
I therefore take great pleasure in recom-  
mending Lt Col Sorrel's promotion to Brigadier General  
for distinguished conduct on this occasion.

I should have reported this case much earlier  
and asked for promotion upon the spot, but  
that I was struck down by a painful wound  
a few moments after the execution of the movement.  
I am still unable to write, and hence must  
ask the privilege of signing this by my Aide  
de Camp.

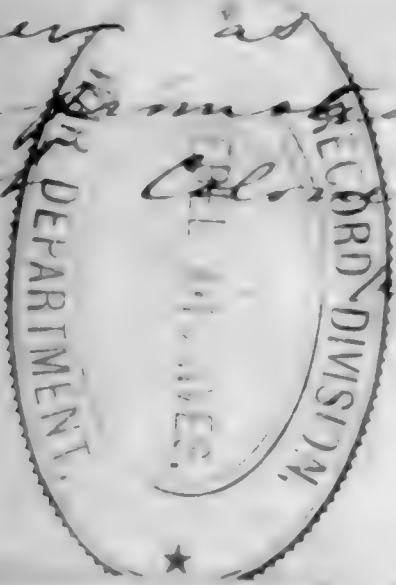

I am General Very Respectfully  
Your Most Obedt Servt

Since that time Genl. Longstreet  
has been promoted to be a Lieut.  
general, with a command which  
puts much work and responsibility  
on his a. a. g.

Other Army Corps have officers  
of higher rank than Major  
for their a. a. g.; and, under  
the circumstances, I venture  
to hope that so excellent an of-  
ficer as Major Lord will now  
be promoted to be 2<sup>d</sup> Col if  
not Colonel.

With great respect

EXECUTIVE DEPARTMENT,

Richmond, Va. June 26. 1863

To the Hon.  
Secretary of War  
Sir

I trust I commit no  
impropriety in respectfully asking  
your attention to a letter of Lt. Genl.  
James Longstreet <sup>now in your office</sup> written several  
months ago recommending the pro-  
motion of Major G. M. Sorrel  
A. A. G. to the 1st Corps, Army N. Va.  
Genl. Longstreet expressed the opinion  
that Major Sorrel was worthy to be an  
Brig. Genl. - but I am informed, did  
not expect more than promotion to  
be Colonel or Lieut. Col.

Major Sorrel has been on Genl.  
Longstreet's staff since the first battle  
of "Manassas"; he has been a most  
excellent adjutant general & has  
shown great gallantry in action,  
and was severely wounded at the  
battle of "Sharpsburg". He was  
promoted to be Major more than  
a year ago - his commission dating,  
I believe, from the battle of "Williamsburg".

William F. Dement served as Captain of the 1st Battery, Md., Artillery, Confederate States Army, but the name Samuel Webster Sothoron has not been found on the rolls on file in this office of that Company, which cover the period in part, from September 1, 1861 to February, 1865.

The records show that Webster Sothoron also borne as S. Webster Sothoron, not found as Samuel Webster Sothoron, served as a private of Company D, Weston's Battalion, Maryland, Confederate States Army.

This Battalion was broken up in June, 1861, and Company D transferred to the 1st Maryland Infantry, becoming (2d) Company H of that Regiment.

Company Master Roll of that Company for November and December, 1861, last on file, show that he enlisted June 18, 1861, at Richmond, and also *shows him* ~~shows~~ present. His name appears as signature to a Receipt for payment of service received at Richmond, Virginia, July 12, 1862, for the period, from January 1, 1862 to June 30, 1862. No later record found as of that organization.

Other records show that he was appointed 2nd Lieutenant and Drillmaster, of the Confederate States Army, from the State of Maryland, December 28, 1862 to take rank, December 25, 1863.

nature well calculated to fit  
him for a soldier's life.

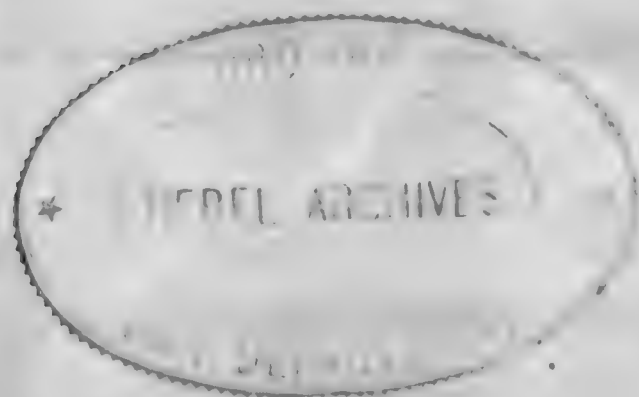

I think it but right to  
add that no family of Mr. T.

Inspector General's Office

To Lieut Col. Alfred Romanus.

Colonel,

In obedience to order, I visited on the 10<sup>th</sup> inst. the Jail of Charleston. I will call the attention of the Commanding general to the state of the clothing of the military prisoners confined in said jail, the duration and cause of their confinement. as far as cleanliness is concerned, there is no cause of complaint. Military prisoners have no blankets, no shoes, no clothing; they seem to be entirely forgotten by their Company Commanders. So much so, that some of them have been confined for months without trial. According to the laws of the Country <sup>every man</sup> has a right to a speedy trial. One could hardly believe that he is under the control of a liberal government were he to cast a glance on the list of men incarcerated for the last four months without charges, waiting for a trial, for a sentence.

The condition of things, as it will more fully appear by the statement hereto annexed & made part of this report, baffles all description.

Respectfully submitted,

Inspector Genl's Office  
Charleston January 3<sup>rd</sup> 1864

St. Col. A. Roman

Insp. Genl.

Sir.

I have the honor to report an inspection of the Charleston jail, made by me today.

The Jail is clean and well policed; the atmosphere salubrious, and the health of the prisoners generally good.

Complaints were made to me that Capt. Roumillat, ~~the~~ Commissary in charge, neglects his duty. That the distribution of rations is entrusted to two of the prisoners, and that the provisions were stolen <sup>by them</sup> and the men defrauded of them - that these men offered the government rations for sale in the jail. Also that the allowance of wood was not sufficient. The Jailor tells me that owing to the supply of wood not being sent at the proper time, the prisoners have sometimes been unprovided for two days consecutively.

The prisoners are almost all of them much in need of clothing (particularly under-clothing) shoes and blankets. This should be attended to, especially as many of these men are confined on charges of which they may be innocent. They have no opportunity of procuring clothes from home

and the fall is very cold. They will most of  
them probably be again put in the ranks,  
and in the meanwhile should not be de-  
moralized by dirt and vermin, and  
by the reflection that they are neglected  
by their officers. As an Inspector, I have  
had frequent opportunities of judging,  
and I am very fearful, that if the Gov-  
ernment does not use more strenuous  
efforts to provide for the comfort of  
our troops, the consequences will be  
most disastrous. The spirit of disaffection  
is fast spreading, and the soldiers complain  
(and with reason) that they are destitute  
of the common comforts and necessities  
of life, which they have been promised  
by Government, and are entitled to,  
while Quartermasters, Commissaries and  
Government Agents, all over the country,  
are making immense fortunes.  
If woollen cloth cannot be procured for  
outer garments, there is certainly  
homespun enough in the Confederacy to  
supply the whole army with shirts, and  
women enough to make them up.  
I feel it my duty Colonel, respectfully to call  
your special attention to this subject, as I  
am convinced that it is one of vital importance.  
Since the last inspection - made Dec 12. 1863 by  
Capt Soule - 56 of the prisoners named  
in the enclosed list <sup>marked "D"</sup> have been discharged.  
Enclosed <sup>marked "C"</sup> is a list of the prisoners now in

the jail.

I would call special attention to the case of Private M. R. Sturges Co "C" 1st S. C. Art'y. <sup>respectfully</sup> to ~~beg~~ recommend his discharge from jail, <sup>and the withdrawal of the charges against him</sup> if our further investigation, in <sup>accordance with the approval of his company officers.</sup> He appears to be a young man of intelligence and education - is perfectly willing to return to his duties - says that the charges against him were very slight, and, ~~as~~ that, owing to the absence of the principal witnesses, his trial is indefinitely postponed.

Enclosed - marked "A" - is a communication addressed to the Comdy Officer of his Company. He has been in jail since the 16th of October. It is a case for special investigation (in my opinion) as a good soldier might thereby be returned to the service, <sup>and</sup> with very little trouble. I beg leave also to call your attention to the enclosed exhibit (marked "B") relative to the case of George Taylor Co "C" 1st S. C. Art'y. I think that he might also be released, and returned to duty, with advantage to the service.

E. Hill, Co C. Siege Train, whose case (enclosed) was referred to this office for investigation, has been discharged from jail.

Thos. Sheen, Co H 24th S. C. V. committed by E. M. Whiting, Magistrate, on oath of Anne Holmes, on a charge of larceny, denies the charge, and says that the prosecution has offered to drop the charges provided he will pay

of Adj't Genl. for me. for some time. I particularly desire  
his promotion in that Dept. as I am fully aware of  
his high intelligence and worth. He has been contin-

My dear Palpey

I made application last Summer, for the promotion of Lieut S V Southall to a Captaincy in the A. & S. G. Dist. The Application was sent through Genl Canby. You will do me a great favor by informing me of the fate of this Application. I have heard nothing of it since it left my hand. I am anxious to get Southall promoted and if you can aid me to that end you will greatly oblige me -

I have nothing of interest to give you, all is quiet in this direction. My health is almost restored, and I am looking to the time when I shall return to duty - Let me hear from you soon.

I am very Truly your friend

My dear General.

I take the liberty  
of requesting a favor at your hands. I have been  
trying for some time to get my Act of Sept 1861  
from the Committee to a Captaincy in the A. S. A. I  
when I was in Richmond a short time since I saw  
them. I called upon this subject and found no one  
sent to consider it. On making inquiry in the A. S. A. for  
my application to present to the Sec: of War, it  
could not be found. I have made another  
application to the same effect, and not being  
able to attend to it in person. I respectfully re-  
quest you to have the time to assist me

most probable the  
in time matter, by giving the Sec: No Officer in the

be of service. or who can render more efficient service  
to the A. S. A. I am very truly &c.

Statement of the com-  
 pensation towards him  
 by Mr. Crocker - Under  
 the circumstances, after  
 some appointment will  
 be conferred on him.

President of Hon. A. R.  
 Boston  
 Dec 16. 63  
 A. R. Crocker as Chap-  
 -lain and also to report  
 to the House for opinion  
 as to his fitness to be  
 a member of the House.  
 15 Dec 63

Richmond, Dec. 14, 1863.

Wm. S. R. Butler.

Dear Sir: The facts in the case which I briefly referred, this morning are these: In October last Rev. W. A. Crocker stated to me that he was about to resign the Superintendency of the Army Intelligence Office, & asked me to allow him to recommend me for the vacancy. Being at the time a pastor without a flock, in consequence of the military situation of Charleston, where I reside, & anxious to remove my family from that imminent threatened city, I consented that my name should go in to the Secretary of War. In due time, Mr. Seddon returned the resignation of Mr. Crocker & also his recommendation as accepted. Upon the faith of this, I returned to Charleston & removed my family to this city. Arriving here a day or two previous to the time that I expected my commission for the resignation of Mr. Crocker was not to take effect for a month after it was tendered, I judge of my surprise when I learn, for the first time, that another gentleman has applied for the place & that the Secretary seems to be favorable to the application. This gentleman, it appears, ~~some~~ months previously had, at Mr. Crocker's instance, been temporarily appointed as an assistant

to Mr. C. & Mr. C. in writing at the time, that in  
case of his resignation, this gentleman might suc-  
ceed to the Superintendent's office. Of all this, however,  
I know nothing. I acted alone upon the endorsement  
of my application by the Secretary of War.

The temporary assistant, ascertaining that Mr.  
Crocker had resigned & recommended me, addressed  
Mr. C. a letter of complaint, charging that Crocker  
was previously pledged to recommend him. Mr.  
Crocker replied, giving private & confidential rea-  
sons for his course. Upon the reception of this  
letter the assistant formally applied for the of-  
fice, & accompanied his application with this  
private correspondence. Hence, it seems, the  
Secretary's changed feeling towards me.

Now, if Mr. Crocker acted improperly, I  
submit, that I am in no way a party to the  
impropriety. I accepted his proposition, consenting  
to be recommended for the vacancy, in utter  
ignorance that any body was, or could be, in my  
way. I then waited to learn the decision of the Sec-  
retary of War. That came, & it was favorable  
to me. Then, & not until then, at great expense,  
for me in my reduced circumstances, I brought  
a large family to this city. If now, I lose the  
appointment, & no other provision be made for  
me, my embarrassment & distress may be very  
great. I shall be innocent of any complicity with

the wrong done in the premises, if such there be, & yet  
a sufferer.

I therefore beg the kind offices of the Hon.  
Mr. Webster in my behalf. Some days ago I ad-  
dressed a letter to Mr. Seddon, stating the above  
facts. I am informed that no appointment has  
yet been made. Will you please see the Secretary  
for me, & enquire, what he has done in this  
matter, or what he intends to do. I beg you es-  
pecially to remind him, that I have resorted to  
Richmond exclusively, upon the faith of his prom-  
ise.

If Mr. Seddon should think that the other  
gentleman has stronger claims to that particular  
place, & yet should be disinclined to let me  
suffer, he may have some other post, equally  
remunerative, that he might be willing to give  
me.

For your early attention to this matter, I shall  
ever feel most thankful.

With great respect,  
Yours ably & truly,  
G. A. Southland.

Dear Mrs. Pettit:

Reference is made to your personal request of this date for the military record of James R. Sowers, said to have served as a Surgeon in the Confederate States Army.

The records show that one James Sowers, name not found as James R. Sowers, was appointed Acting Assistant Surgeon, Confederate States Army, 25 October 1862. His name appears on a Report of Medical Officers and Hospital Stewards on duty in Receiving and Wayside Hospital or General Hospital No. 9, Richmond, Virginia, for the month of February 1863, with the following remark: "Relieved from duty Feb. 15, '63 and ordered to report to Medical Director. By command of Major Genl G. W. Smith. On duty at last return." No later record of him has been found.

This collection of records is by no means complete, and failure to find the entire record of Confederate military service does not indicate necessarily that an individual did not serve at some period not covered by the records.

Sincerely yours,

Major I learn from Mr James Snow that  
he is an applicant for appointment as an  
Asst. Lt. Col. - I have long known Mr.  
Snow. - For several months at Salisbury,  
he was connected with my Command,  
and I have willingly testified to his  
intelligence, his business capacity and par-  
ticularly to his adaptation to the position  
sought. - His business experience is large,  
and his acquaintance with the duties  
of the Lt. Col. I consider very thorough.

I cheerfully add my recommendation  
in Mr Snow's behalf to that of other  
gentlemen, and shall be glad to hear that  
his application has been favorably con-
